DuraGreen®

A product of RPP Containers

Environmentally sustainable DuraGreen® containers offer superior quality and value, and are made with a proprietary blend of “premium” recycled plastic from out-of-service containers. Built to provide years of service under the toughest conditions, DuraGreen® medium-duty and heavy-duty containers are stackable and easy to assemble and knock down. **Accessible by pallet jack or forklift.**

medium-duty

heavy-duty

RPP Containers® warrants its DuraGreen® containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. forklift damage etc). Customer is responsible for all freight charges.
