Xytec

Collapsible Bulk Containers

For over 20 years, Xytec has been a name that stands for “quality and value” in medium-duty collapsible bulk containers. Formerly manufactured by Schoeller Arca Containers, these collapsible containers are engineered for long life under repeated use. Xytec containers are designed to reduce packaging and shipping costs, as well as provide superior product protection.

RPP Containers™ warrants its Ropak containers for proper fit, form and function for a period of one year from date of shipment by RPP Containers. If within such period a container is proven to be defective in functionality from manufacturing defects, such product shall be repaired or replaced. This warranty does not include damage due to normal material handling methods (i.e. fork lift damage etc). Customer is responsible for all freight charges.
